Congratulations to *Freedom Press* on your first anniversary! I must confess that, at the outset, I was one of those who thought "Every week? No way." But you have not only survived; you have gotten stronger over the months. Our PFLAG Nashville is grateful for your unfailing support and I have personally looked to *Freedom Press* to keep me informed about the community. — *Don Shockley, Co-chair, PFLAG Nashville*

Freedom Press is a good addition to the news scene, keeping us up to date on what is happening that is of mutual interest. Information we would not likely get if you were not here. Thanks for being there. — *Gene Floyd, PFLAG Mom*
